Relevance to the scope of journal			
The result of similarity report			

Decision

Your paper will be sent for review after you have made the changes specified above.	
Your paper is rejected and will not be sent for review because of the reasons specified above.	

Suggestion

Please have a look at the articles published in our most recent issue and compare every part of it with your submission. The format is extremely important for us before we send your paper for review. No papers will be sent for review unless it is sent to us in a publishable format.
